This is our 46th annual production of "Curtains Up." You have the opportunity to remember this day in a very special way - by placing your child's dance photo and a special message in our free souvenir program. It is a wonderful keepsake for a special childhood experience. Who pays for this special memento? Many local businesses are more than happy to advertise their business and sponsor your child with a photo ad. Family members also enjoy having the opportunity to make this event even more special by purchasing the ad. These ads are printed in 2,500 programs and handed out at "Curtains Up."
