Becky's School of Dance

Findlay, Ohio 45840

We do not charge a registration fee for those beginning in our February classes – due to the short season (February – May). Class fees are \$55.00 per month. Please note that your first month's tuition is due upon registration to hold your placement in the class. Once you return the Registration Form with your first month's tuition, please mark your calendar and come to your first lesson about 15 minutes early. Dance attire is required, but you may wait until after the first lesson before you purchase your tan tap shoes and pink ballet slippers. We would be happy to fit your child with shoes, but if you would like to do so before your first class, please remember to come early.

We would like to offer our February Tap and Ballet beginners a chance to be in our annual dance performance at Fostoria High School. It is scheduled for May 25-26, 2012(see www.beckysschoolofdance.net and link to “performance packet” for further details). It is a fun way for the dancers to show family and friends what they have learned and to gain self-confidence and a sense of achievement. It is too late for us to order costumes for our little dancers as they will not arrive in time, however, if you plan on having your dancer in the performance you will need to purchase a tutu from our office. This “costume” costs \$35.00 plus tax but may also be used as a weekly practice uniform or may be “saved” for the big day. You simply need to place your order in our office the first 3 weeks in February, stating your desired size. Keep in mind, our photo dates are the last weekend of Feb. and the first weekend in March and you'll want your costume in ahead of this date.

These are the only class times we can offer, at this point, due to our available studio space. If you cannot attend this time but would like information on our Summer and Fall programs, we will keep you on our mailing list. Summer information will be mailed or sent via e-mail in May, Fall information will be mailed/e-mailed in July.

We look forward to meeting you and your dancer. Have a great New Year.

Sincerely,
Becky & Meghan
